CHRISTIAN SCIENCE

The symbolic words of the

palms, "There is a river,"

stream of wisdom, shall make glad

the city of God, the holy place of

the tabernacles of the most

high, constitute the Golden Text

"the Lesson-Sermon on "Chris-

tian Science." Sunday, in all

branches of The Mother Church,

The First Church of Christ, Sci-

entist, in Boston, Mass.

One of the Scripture citations

includes the following verses from

John: "There was a man of the

Pharisees, named Nicodemus, a

uler of the Jews: the same came

to Jesus by night, and said unto

him, Rabbi, we know that thou

art a teacher come from God: for

no man can do these miracles that

thou doest, except God be with

him. . . . Jesus answered, Verily,

erily, I say unto thee, Except a

man be born of water and of the

Spirit, he cannot enter into the

Kingdom of God."

A correlative passage from "Sci-

ence and Health with Key to the

Scriptures," by Mary Baker Eddy,

states: "The calm, strong cur-

rents of true spirituality, the

manifestations of which are

health, purity, and self-immola-

tion, must deepen human experi-

ence, until the barriers of material

existence are seen to be a bald

imposition, and sin, disease, and

death give everlasting place to

the scientific demonstration of

living Spirit and to God's spiritual

verities."

Dr. O. E. Fossum was the star

of the evening, furnishing the men

all the fun and relaxation they

wanted. President Edwards an-

nounces that the New Year's party

will be January 8.

Louis C. Cramer, chairman of

the baseball reception committee,

announced the organization of

three baseball teams. Action has

been taken to ask the City Park

committee to furnish grounds for

the men to play on. These men's

meetings are open to all the men

of the city as well as men of the

church. Rev. R. A. Young, pas-

tor, announced the following

speakers for the New Year: Dr.

E. E. Holmes, Dr. Bruce Baxter,

Dr. "Bob" Shuler, Dr. W. C. Loom-

is and Dr. Thomas Hardy, one of

the noted speakers of our country.

Samuel Bone In Coast Artillery

To Be Stationed in Hawaii
For Next Two Years

Private Samuel Bone, son of Mr.

and Mrs. S. E. Bone, of 1827 Anna-

polis street, is now at Fort Mc-

Dowell, Calif., awaiting his de-

parture on the U. S. Army Trans-

port Cambria, sailing from Fort

Mason, San Francisco, Calif., on

December 27 for Hawaii.

Fort McDowell is the location of

the Overseas Discharge and Re-

placement Depot of the Army,

where soldiers on their way to the

insular possessions are clothed and

equipped, and given basic military

training while awaiting sailing of

the transports.

Private Bone expects to be station-

ed in the Hawaiian Islands for

the next two years. He enlisted

at San Pedro on December 1 for

Coast Artillery. He arrived at San

Francisco recently on the Ruth

Alexander after an enjoyable voy-

age up the California coast. Private

Bone states that he entered in

the Army through a desire to

travel. While in the service he

intends to improve his education

sufficiently to pass the examina-

tion for the Aviation Service.
